

Whether you are just finishing NJB or YLB, preparing for high school basketball, or are looking to improve your basketball skills (shooting, passing, dribbling, footwork), the Tribe Basketball Academy will help you to become a better basketball player...guaranteed!

We have had over 300 players come through the academy and hope you decide to join the largest basketball training here in the east Anaheim, Placentia and Yorba Linda areas.

Proud to work with the Yorba Linda chapter of NJB!

Tri-City Tribe Basketball Skill Development Academy SPRING 2010

Tri-City Tribe Basketball Academy is an eight-week competitive basketball skill development academy designed to develop individual basketball skills, footwork and foot speed, position specific skills and game understanding through intense, group workouts.

Coch Jason Pietsch (Esperanza High School), along with his coaching staff will direct all Spring Tribe Basketball Academy workouts. This is a skill development academy and all sessions are held at Esperanza High School. Tribe members receive free admission to all Esperanza home basketball games.

Our goal is to improve the basketball ability of your child and allow them to develop their overall game. Players within the academy will be recommended for our Tribe travel teams.
